Student Coverage

Eligibility

All full-time Domestic undergraduate students taking a minimum of 12 credit hours; and all graduate students enrolled in nine (9) or more credit hours per semester or two (2) or more courses for modular programs. Any full time, undergraduate Domestic student may waive participation in the Student Health Insurance Plan by demonstrating that they already have comparable health insurance by submitting a waiver each year by the posted Waiver Deadline Date. Undergraduate students who are registered for five (5) or fewer credits and all graduate students may optionally enroll in this plan. All full-time international students will automatically be enrolled. Home study, correspondence, internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Enrollment

All International students are automatically enrolled in the student health insurance while attending Manhattanville College.

Eligible Domestic students will be automatically enrolled in this Plan, unless the completed waiver application has been received by Manhattanville College by the specified enrollment deadline dates listed in the previous section of this Plan Design and Benefits Summary.

To enroll online or obtain an enrollment application for voluntary coverage, log on to www.aetnastudenthealth.com and search for your school, then click on Enroll to download the appropriate form.

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Special Enrollment Periods

You, can enroll for coverage within 60 days of the loss of coverage in a health plan if coverage was terminated because you, are no longer eligible for coverage under the other health plan due to:

- Termination of employment;
- Termination of the other health plan;
- Death of the spouse;
- Legal separation, divorce or annulment;
- Reduction of hours of employment;
- Employer contributions toward a health plan were terminated; or
- A child no longer qualifies for coverage as a child under another health plan.

You can also enroll 60 days from exhaustion of your COBRA or continuation coverage.

We must receive notice and premium payment within 60 days of the loss of coverage. The effective date of your coverage will depend on when we receive your application. If your application is received between the first and fifteenth day of the month, your coverage will begin on the first day of the following month. If your application is received between the sixteenth day and the last day of the month, your coverage will begin on the first day of the second month.

In addition, you can also enroll for coverage within 60 days of losing (or gaining) eligibility for Medicaid or a state child health plan.

We must receive notice and premium payment within 60 days of one of these events.

Participating Providers

Aetna Student Health offers Aetna's broad network of Participating Providers. You can save money by seeing Participating Providers because Aetna has negotiated special rates with them, and because the Plan's benefits are better][your out-of-pocket expenses will generally be lower when You receive benefits from a Participating Provider, and some benefits under the Plan may only be covered when received from a Participating Provider.

If you need care that is covered under the Plan but not available from a Participating Provider, contact Member Services for assistance at the toll-free number on the back of your ID card. In this situation, Aetna may issue a pre-approval for you to receive the care from a Non- Participating Provider. When a pre-approval is issued by Aetna, the benefit level is the same as for Participating Providers.

Manhattanville College Health Services

The Health Center is the University's on-campus health facility. Staffed by two board certified nurse practitioners and two licensed registered nurses, it is open weekdays from 9:00 a.m. to 5:00 p.m. year-round.

For more information, call the Health Services at **(914) 323-5245**. In the event of an emergency, call 911 or Campus Safety at **(914) 323-7233**

Preauthorization

Some services have to be preauthorized by Aetna beforehand if you want the Plan to cover them. Participating Providers are responsible for requesting preauthorization for their services. You are responsible for requesting preauthorization if you seek care from a Non- Participating Provider for any of the services listed in the Schedule of Benefits section of the Certificate. Preauthorization is not required for Participating facilities certified by the New York office of alcoholism and substance abuse services.

If you want the Plan to cover a service from a Non- Participating Provider that requires preauthorization, you must call Aetna at the number on your ID card. After Aetna receives a request for preauthorization, we will review the reasons for your planned treatment and determine if benefits are available.

You must contact Aetna to request preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when your provider recommends inpatient hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when your provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a hospital or in an ambulatory surgical center.
- Within the first three (3) months of a pregnancy, or as soon as reasonably possible and again within 48 hours after the actual delivery date if your hospital stay is expected to extend beyond 48 hours for a vaginal birth or 96 hours for cesarean birth.
- Before air ambulance services are rendered for a non-emergency condition.

You must also contact Aetna to provide notification after the fact as follows:

- As soon as reasonably possible when air ambulance services are rendered for an emergency condition.
- If you are hospitalized in cases of an emergency condition, you must call Aetna within 48 hours after your admission or as soon thereafter as reasonably possible.

Description of Benefits

The Plan excludes coverage for certain services and has limitations on the amounts it will pay. While this Plan Summary document will tell you about some of the important features of the Plan, other features that may be important to you are defined in the Certificate. To look at the full Plan description, which is contained in the Certificate issued to you, go to www.aetnastudenthealth.com.

All coverage is based on the **Allowed Amount**.

“Allowed Amount” means the maximum amount Aetna will pay for the services or supplies covered under the certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted.

- The Allowed Amount for Participating Providers is the amount we have negotiated with the Participating Provider.
- The Allowed Amount for Non-Participating Facilities is 105% of the Medicare rate.
- The Allowed Amount for all other providers is 105% of the Medicare rate.

Our Allowed Amount is not based on the “usual, customary and reasonable charge.” If a Non-Participating Provider’s actual charge is more than the Allowed Amount, you are responsible for the difference. Call us at the number on your ID card or visit www.aetnastudenthealth.com for information on your financial responsibility when you receive services from a Non-Participating Provider.

This Plan will pay benefits in accordance with any applicable **New York** Insurance Law(s).

Conversion Therapy.

We do not Cover conversion therapy. Conversion therapy is any practice by a mental health professional that seeks to change the sexual orientation or gender identity of a Member under 18 years of age, including efforts to change behaviors, gender expressions, or to eliminate or reduce sexual or romantic attractions or feelings toward individuals of the same sex. Conversion therapy does not include counseling or therapy for any individual who is seeking to undergo a gender transition or who is in the process of undergoing a gender transition, that provides acceptance, support and understanding of an individual or the facilitation of an individual's coping, social support, and identity exploration and development, including sexual orientation-neutral interventions to prevent or address unlawful conduct or unsafe sexual practices, provided that the counseling or therapy does not seek to change sexual orientation or gender identity.

Cosmetic Services.

We do not Cover cosmetic services, Prescription Drugs, or surgery, unless otherwise specified, except that cosmetic surgery shall not include reconstructive surgery when such service is incidental to or follows surgery resulting from trauma, infection or diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly of a covered Child which has resulted in a functional defect. We also Cover services in connection with reconstructive surgery following a mastectomy, as provided elsewhere in this Certificate. Cosmetic surgery does not include surgery determined to be Medically Necessary. If a claim for a procedure listed in 11 NYCRR 56 (e.g., certain plastic surgery and dermatology procedures) is submitted retrospectively and without medical information, any denial will not be subject to the Utilization Review process in the Utilization Review and External Appeal sections of this Certificate unless medical information is submitted.

Coverage Outside of the United States, Canada or Mexico.

Experimental or Investigational Treatment.

We do not Cover any health care service, procedure, treatment, device or Prescription Drug that is experimental or investigational. However, We will Cover experimental or investigational treatments, including treatment for Your rare disease or patient costs for Your participation in a clinical trial as described in the Outpatient and Professional Services section of this Certificate, when Our denial of services is overturned by an External Appeal Agent certified by the State. However, for clinical trials, We will not Cover the costs of any investigational drugs or devices, non-health services required for You to receive the treatment, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments. See the Utilization Review and External Appeal sections of this Certificate for a further explanation of Your Appeal rights.

Felony Participation.

We do not Cover any illness, treatment or medical condition due to Your participation in a felony, riot or insurrection. This exclusion does not apply to Coverage for services involving injuries suffered by a victim of an act of domestic violence or for services as a result of Your medical condition (including both physical and mental health conditions).

Foot Care.

We do not Cover routine foot care in connection with corns, calluses, flat feet, fallen arches, weak feet, chronic foot strain or symptomatic complaints of the feet. However, we will Cover foot care when You have a specific medical condition or disease resulting in circulatory deficits or areas of decreased sensation in Your legs or feet.

Government Facility.

We do not Cover care or treatment provided in a Hospital that is owned or operated by any federal, state or other governmental entity, except as otherwise required by law unless You are taken to the Hospital because it is close to the place where You were injured or became ill and Emergency Services are provided to treat Your Emergency Condition.

Medically Necessary.

In general, We will not Cover any health care service, procedure, treatment, test, device or Prescription Drug that We determine is not Medically Necessary. If an External Appeal Agent certified by the State overturns Our denial, however, We will Cover the service, procedure, treatment, test, device or Prescription Drug for which coverage has been denied, to the extent that such service, procedure, treatment, test, device or Prescription Drug is otherwise Covered under the terms of this Certificate.

Medicare or Other Governmental Program.

We do not Cover services if benefits are provided for such services under the federal Medicare program or other governmental program (except Medicaid). When You are eligible for Medicare, We will reduce Our benefits by the amount Medicare would have paid for the Covered Services. Except as otherwise required by law, this reduction is made even if You fail to enroll in Medicare or You do not pay Your Medicare premium. Benefits for Covered Services will not be reduced if We are required by federal law to pay first or if You are not eligible for premium-free Medicare Part A.

Military Service.

We do not Cover an illness, treatment or medical condition due to service in the Armed Forces or auxiliary units.

No-Fault Automobile Insurance.

We do not Cover any benefits to the extent provided for any loss or portion thereof for which mandatory automobile no-fault benefits are recovered or recoverable. This exclusion applies even if You do not make a proper or timely claim for the benefits available to You under a mandatory no-fault policy.

Services Not Listed.

We do not Cover services that are not listed in this Certificate as being Covered.
